Special Award Classes

Many thanks to all who gave me entries, it is much appreciated and I'm grateful for the support. Thank you to the committee for asking me to judge the classes. Despite having such a long wait and appreciating most having to leave, I still enjoyed my time judging those that could stay back.

**1<sup>st</sup> Miss L. Bradley -Sharlarna All Eyes On Me**

Beautiful youngster of 11 months old. Feminine in all ways, very petite dainty outline, but strongly put together. Lovely attentive nature enjoying what she was doing throughout. Lovely headpiece fairly broad in skull, large dark eyes with desired amount of white giving a true look of astonishment. Small ears placed high upon head nicely feathered. Proudly arched in neck flowing to a level top line. Fairly square in body nicely coated with silky soft hair. Tail carried up and plumed over back. Moved well coming and going using rear drive.
